MVP Plan / HMP Update Processes

What is Hazard Mitigation?

Protection

Prevention

Response

F

Mitigation

Sustained action taken to reduce or eliminat

From FEMA G-318, Local Hazard Mitigation Planning Workshop Presentation

Types of Hazards (SHMCAP)

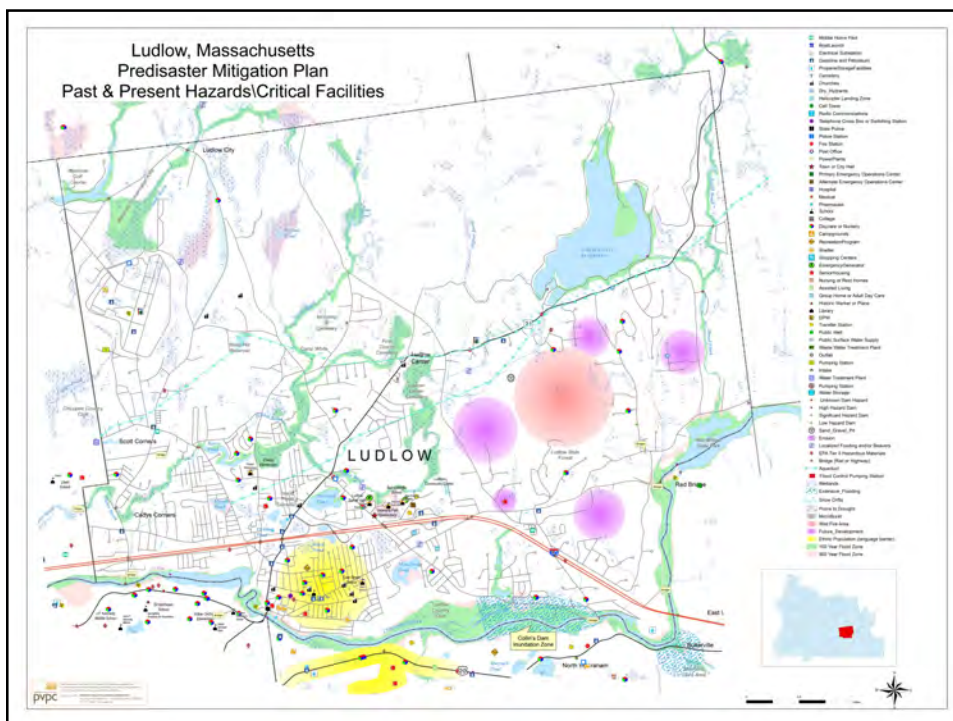

2016 HMP Top Hazards

Type of Hazard	Location of Occurrence	Probability of Future Events	Impact	Vulnerability (1 highest)
Dam Failure	Medium	Very Low	Limited	4
Drought	Large	Moderate	Limited	3
Earthquake	Large	Low	Critical	5
Extreme Temperatures	Large	Very High	Limited	3
Flood	Medium	Low	Limited	2
High Winds	Large	High	Limited	2
Hurricane / Tropical Storm	Large	High	Critical	1
Ice Storm	Large	Very High	Critical	1
Wildfires / Brushfires / Urban Fires	Medium	Low	Limited	2
Nor'easter	Large	Very High	Critical	1
Snow & Blizzard	Large	Very High	Critical	1
Thunderstorms	Large	Very High	Limited	4
Tornado	Large	Low	Catastrophic	1

Community Risk from Hazards

From FEMA G-318, Local Hazard Mitigation Planning Workshop Presentation

Infrastructure Assets

- Pole-based electrical and communication lines
- Town and state owned roads, evacuation routes
- Cul-de-sacs and dead end streets (single point of entry)
- Culverts
- Dams
- Sewer and drinking water lines and pumps

Societal Assets

- Aging population
- Assisted living facilities
- Neighborhood organizations
- Pet populations
- Town communication system
- Non-English speaking populations
- Populations for whom transportation may be a challenge
- Emergency shelters
- Libraries
- Cultural or historic assets with special needs during hazards

Environmental Assets

- Shade and street trees
- Waterbodies, watercourses, floodplains, and wetlands
- Open space and recreational resources
- Invasive species
- Unique or special natural features
- Drinking water aquifer

Data Needs

- Comprehensive Emergency Management Plan?
- Recent FEMA grants/projects?
- Development since previous HMP?

Next Steps

- Send community photos to etully@pvpc.org
- Review and update list of critical facilities
- Schedule next meeting – 1st public meeting?
- Implement stakeholder outreach plan
- Capability assessment – interviews?
