Payroll schedules and bills were signed by all Board Members.

Kelly Ann Adams, 18 Ampere Ave., came in to talk with the Board regarding her chickens. Ms. Adams presented the Board with letters from her abutters showing no complaints or issues with the chickens. Ms. Adams also brought in proof of the roosters being collared to avoid crowing. These collars are working. There was an expansion coop that has since been torn down. All the brush and overhang has been cleared. The compost pile has been removed. The Building Department has no issues with the coop and does not require any permits. Board Members are impressed in how much Ms. Adams has done to satisfy the requirements. Motion made by Ms. DeSantis to allow Ms. Adams no more than fourteen (14) chickens and two (2) collared roosters. Seconded by Mr. LaFever. All in favor 3-0.

The Board discussed dates for the August Board of Health meetings. The meetings have been scheduled for August 6, 2019 and August 20, 2019 at 4:00 p.m.

Carrie Ribeiro, Director of Human Resources, came in to discuss with the Board the recent interviews for Health Agent. There was a total of 5 applications received. Of the 5 received, only 2 had all the requirements needed. Both applicants were well qualified but, Applicant 1 seemed to have a broader range of experience. Applicant 1 also had more managerial experience. Board Members would like to move forward with reference and background checks for Applicant 1. Board Members are hoping to have someone in the position by the beginning to mid-August.

A complaint was received regarding trash in front of 241-245 Winsor Street. Inspector Fontaine did not find anything upon inspection of the property. No further action will be taken at this time.

A complaint was received regarding the possibility of rats behind Galo Rei at 313 East St. An inspection was performed by Inspector Fontaine. The dumpster is overfilled, and a strong odor was present. There was 1 rat witnessed by the concrete wall in the rear. The owner of the property was contacted, and Premier Pest Control has been contacted to remedy the area. A follow up inspection will be performed.

The MAVEN timesheet was discussed by the Board. Board Members read through the timesheets that were created and were pleased that everything had been sent in.

There was a question as to why Ms. Messer had to travel to the TB Clinic in Springfield to pick up medication. Ms. Messer provided the Board with a letter explaining the reasoning behind it. Board Members were satisfied with the information presented.

There was a question presented to the Board about Serv-Safe requirements for local establishments. Ludlow Central Bakery presented a Food Handler certification. The Food Handler Certification is a Basic course designed more for servers and staff. Board Members feel that the owner/manager of an establishment should be certified as a Food Manager. This is a more thorough class. Motion made by Mr. LaFever that requires Food Manager certification by an owner/manager of any local establishment. Seconded by Ms. DeSantis. All in favor 3-0.

An email was received from Sherman & Frydryk regarding the septic system at Villa Rose, 1428 Center Street. They are asking for information regarding the loading rate of a new septic design. Septic Inspector Mike Pietras will be notified.

Food Establishment Inspection Report for Chin's Kitchen, 12 Lakeview Ave., was reviewed by the Board.
