Unfinished Business

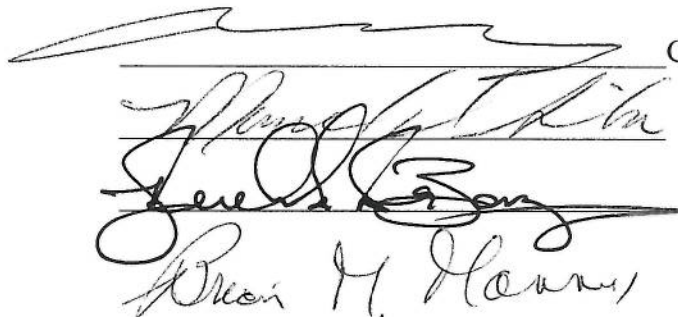

The Board signed the One Day Permit for RxBootcamp/White Lion Brewing.

New Business

Ms. Villano stated that several years ago the Town went through the process of being designated as a Greens Community and were able to complete all of the aspects except for the adoption of the Stretch Code. There is technical assistance available from Pioneer Valley Planning Commission for the Town to move forward with trying to become a Greens Community again. If the Town were designated as a Greens Community, we would be open to a lot more grant opportunities and funding. We would have to agree to have an energy reduction plan and agree to buy energy efficient cars. The Planning Board will be discussing it tonight at their meeting. PVPC will pay up to \$7500 or up to 100 hours of technical assistance to get the designation of Greens Community.

Mr. Mannix made a motion, seconded by Mr. DeBarge, to move forward with it under the circumstances of what its potential is. Vote: 4-0 all in favor.

Mr. Mannix made a motion, seconded by Mr. Silva, to adjourn at 5:48 pm.
