First Order of Business: The Pledge of Allegiance

Ms. Downing took a minute to send our good wishes to the people in the Ukraine. These poor people have to endure horrible situations, she stated. We don't appreciate our freedom and safety. She wished them well.

At this time the committee discussed the budget. Ms. Collins provided new spread sheets to follow. There were changes since the last meeting. At that last meeting the committee voted on a final budget number. That number has changed. There was more Chapter 90 money issued and only cuts to the Building Inspectors budget will be made, for the part-time employee and \$10,000 from one of the line items. The committee will need to rescind the vote taken on March 30, 2022. Mr. Strange explained the trash bids. The bid for next year was \$360,000 over budget. The Selectmen had to fund the gap. They decided to take \$50,000 from the recycling budget for DPW. There is an excess of \$50,000. The remainder will be taken out of Free Cash, \$288,912. That money was added in to the Public Works line item. The new total for DPW is \$3,955,066. There is also a line item on the revenue side for Free Cash \$288,912. The Free Cash going forward will be \$844,565 that will remain in Free Cash and roll over to next year. A million dollars will be added to the Stabilization Fund. The positions that were not cut would be the Grant Writer and \$30,000 from DPW. The new numbers on the spread sheet include the Grant Writer the DPW increase and the trash increase.

I was fortunate enough to sit alongside very knowledgeable individuals who always had the best interest of the Town at heart. I will miss the interaction with the committee, but feel that I cannot make the commitment that is necessary to best serve the Town in this capacity. I wish you all well. Sincerely, Beverly C.
