

Ludlow Historical Commission

Minutes of November 30, 2022

Our November 30, 2022 meeting opened at 6:40 p.m. in the Selectmen's Room at Ludlow Town Hall with the following members present: John Moll, Angela (Angie) Tierney, Karen Pilon and Allison (Allie) DeLong. In attendance was Jane Sheaff who is interested in joining the commission.

The secretary's report was read silently and accepted with Angie making the motion and Allie seconding.

Correspondence received:

1. A letter from the Selectmen's office concerning articles for Town Meeting (we have none)
2. Commission on Disabilities-looking to coordinate with other boards and to offer assistance where needed. Also they are looking to fill 3 vacancies.
3. Gray and Pape of Providence RI concerning the National Grid line 301. They are removing old wooden power line poles and replacing with metal ones and Gray and Pape are conducting archaeological surveys. This letter is purely informational as it does not affect us.
4. Mass West: site plans for Millside Drive and business park. These are prospective plans for ongoing work at the Mills.

Unfinished business: Concerning estimates to repair/move the damaged Rood Monument. John submitted estimates to Town Administrator Marc Strange.

Angie drafted an agreement between The Ludlow Historical Commission, WestMass and the Hubbard Memorial Library concerning the protection and overseeing of all historical artifacts.

On November 1, 2022 Allie joined personnel and contractors at the Mills for a site walk and discussion. She was impressed by the knowledge and professionalism by all.

John was in possession of 4 framed certificates for the Ludlow Village Historic District that Allie will try to deliver to the proper addresses.

Books were discussed about the possibility of promoting the sale of them on social media sites to get some holiday sales.

Next meeting will be January 25<sup>th</sup>, 2023

Meeting adjourned at 8:30 p.m. with Angie making the motion and Allie seconding.

Respectfully submitted,

Karen Pilon, Secretary
