Discussion /Personnel

Work hours for full time personnel is to be 40 hours during regular business hours.

In the future, when the part- time Children's Room Associate leaves and a new person is hired, the job may be changed from a L3 at about \$17.00/hr. to a L2 to keep all wages in line.

An Adult Service Librarian is already approved in the budget to 'expand services'. Possibly a Technical Services Reference person with benefits.

Bob motioned to end the meeting at 2:24, Chris seconded.
