Pat indicated that there are a number of actions that have to be postponed due to Covid

Chris suggested look into utilizing the volunteer program that was going to reach out to seniors to do a curbside pickup for seniors

Goal 2 – financial situation with Covid could make funding the new position difficult

With the 250 celebration – can there be outreach to the schools to collaborate ways to highlight the celebration (like an essay competition or being involved in oral history)

Add to Strategic Planning Implementation spreadsheet that we have purchased temporary canopies and looking to get permanent pavilion

Pat has gotten some quotes on interior restoration (painting)

Chris recommended to ask the town to put the library on the list of capital improvement

Pat will work with the Register to report on what is being donated (that could encourage possible donations based on based on assessment)

Look into possibility of having an annual "Historical Collections Day"
