Hi Kim, The LCC is hosting a public hearing on May 24 and we hope you can post information below. We are copying other state agencies in how they are requiring registration for hearings, so I hope that works for the municipality. If you like, I can send you a phone number to re-post when we get closer to the date so that people can observe the hearing without registration, however. (We'll do that closer to the 24th, but still 48 hours in advance).

Michelle

The Ludlow Cultural Council is hosting a public hearing on Monday, May 24 from 6-7 PM via Zoom. Those interested in attending are asked to register at tinyurl.com/LCCHearing2021.

The Council seeks information from community members and local artists on the cultural needs of the town. It invites members of the community to provide testimony about their experiences in or observations of the arts and humanities in Ludlow. Testimony will be limited to 2 minutes per person. Written testimony can also be provided in advance to LudlowCulturalCouncil@gmail.com.

In 2021, the Ludlow Cultural Council awarded more than \$15,000 to artists, educators, musicians, and performers for performances and events throughout the Ludlow community. Information collected during this hearing will be used to create funding priorities for the Council in 2022.

About the Ludlow Cultural Council

In Massachusetts, public funding for the arts, humanities and interpretive sciences is provided through a central agency, the Mass Cultural Council, with support from a network of 329 local cultural councils across the state. The Ludlow Cultural Council is one of these local councils.

The Ludlow Cultural Council supports the cultural vitality of our town by awarding grant funds to artists, educators, musicians, and other performers or organizations for events and activities that benefit our town. See <https://mass-culture.org/Ludlow>
