PUBLIC MEETING - #395

1. Call to Order
2. Welcome and Opening Remarks – Cathy Judd-Stein, Chair
3. Commissioners' Round Table on Mobile Sports Wagering
 - a. Requested Input from Invited Participants regarding Mobile Licenses (5 minutes per participant)
 - i. Assuming any Commission implementation of temporary licensure for untethered Category 3 operators would necessarily include technical testing, suitability, internal controls and other industry-standard requirements, and given the logistical complexities and consumer protection concerns outlined at the Commission meeting on September 15, 2022, would you have an interest in a temporary license and if so, do you have any suggestions on how to address consumer protection concerns in the event that a large number of licensees may be required to dismantle their operations within a short period of time?
 - ii. What is your position on a staggered launch vs. a simultaneous launch of the different categories of sports wagering operators? (retail vs. mobile, tethered mobile vs. untethered mobile.) Any experience from other jurisdictions and reasoning behind your position should be included in your answer.
