**PLANNING BOARD MEMBERS**

Raymond Phoenix – Chairman (Present)  
Christopher Coelho – Vice Chairman (Present)  
Joseph Queiroga (Present)  
Kathleen Houle (Present)

The meeting began at 7:00 p.m. in the Selectmen's Conference Room.

**Appointment – Armand Nunes – 201 West Avenue – Site Sketch Discussion  
(Mail items #51 & 52 included)**

**Mail Item #51 - Letter from residents of Barre Drive neighborhood re: use of Barre Drive by Nunes Co.**

**Mail Item #52 - Email from Shelene Tirado re: use of Barre Drive / West Avenue by Nunes Co.**

*Armand Nunes was present for the appointment.*

Mr. Phoenix read mail items #51 and #52 and commented that what needs to be done is to find a way to make sure that what's happening on the property is being done in a manner that is appropriate for the neighborhood and is also appropriate for a business that is an industrial business in an industrial zone. He also noted that if the access from West could be operational where Mr. Nunes would be able to utilize that access, that would alleviate a lot of the concerns that the residents have.

Mr. Queiroga said that he met with Mr. Baltazar at the property a few days ago, and that Mr. Baltazar had shown him the drainage (culvert with catch basin and retention area) that was put in all along the edge of Wenonah Drive. Mr. Queiroga also mentioned that Mr. Baltazar told him that he is going to try to rent out the other portion of the lot in the future, and that he will consider letting Mr. Nunes use the West Street entrance.

Mr. Phoenix commented that there is a full site plan in the file within the 20-year limit, and that there has been only one addendum (for the cell tower) that has been submitted, therefore this falls under the category of site sketch. Mr. Phoenix suggested to Mr. Nunes that he make a copy of the site plan on file, and make the changes needed to show where his operation sits in relation to what was already approved and submit that as a site sketch.

The Board agreed that an industrial use on an industrially zoned piece of property is appropriate.

Mr. Phoenix: So, let's get the sketch in as an addendum to the plan. Once that's in, we can schedule the hearing and we'll go from there. Just to put a time frame on it, is everyone

comfortable with maybe having a MOTION to say that we'd like to see that come in within 30 days?

### **ANR – Erica Heim – 38 Goddu Street (Assessors' Map 12A, Parcel 32C) (corrective plan to remove encroachments of buildings located at 34 & 38 Goddu Street)**

*Edward Chapdelaine and Carlos Dos Santos were present for the appointment.*

Mr. Chapdelaine explained that when the two houses were built, they were constructed on the property lines because someone had assumed that the concrete retaining wall was the property line, which it was not, making the lot lines approximately ten feet off. He noted that the problem was discovered recently when Ms. Heim put her house up for sale, and that the ANR will resolve that issue.

Mr. Coelho: I **MOVE** to endorse the ANR for 38 Goddu Street for Erica Heim.

**SECOND** Ms. Houle.
