to shape of drive-thru lanes)**

*Atty. Ellen Freyman, Frank Colaccino, and Peter LaPointe were present for the appointment.*

Atty. Freyman explained that when designing the interior of the bank, they realized that everything wasn't fitting in properly, so, basically, they are making it more of a square which will allow for a better use of the interior space. Mr. Colaccino mentioned that they are also adding a canopy (to-the drive-thru) and that the changes will not affect traffic flow at all.

Mr. LaPointe noted that the other thing that's shown on the plan from the December 12<sup>th</sup> approval is that they've added a fence along the property line, separating them from the neighbors. Mr. Colaccino said that the following things that were discussed at the public hearing are now shown on the plan; the fence and making sure that the lights didn't hit it; they do not block the box on both sides; and they made sure that the downlights don't go off site, but only shine towards the property.

Mr. Stefancik confirmed that the changes that the neighbors requested are noted on the plan.

A request for a waiver of the full registered site plan requirement in favor of a sketch, and a waiver the public hearing was submitted with the application.

Mr. Queiroga: I make a **MOTION** to waive the full plan, I **MOVE** to waive a full site plan in favor of a sketch since it is, there is an existing approved site plan on file that is less than 25 years old and that it has been modified no more than twice, and doing so is consistent with the purpose and intent of this zoning bylaw and that the changes are minor in nature.

Mr. Coelho: You're not planning on doing any commercial baking or anything like that, right? Just kind of custom?

Ms. Oliveira: Just kind of direct to customers yeah, for weddings, maybe showers, that sort of thing.

Mr. Coelho: Anybody else on the Board have questions as to related to her business?

Mr. Queiroga: You gonna have any employees?

Mr. Queiroga: I think you're already certified, right?

Ms. Oliveira: I am, yeah.

Mr. Queiroga: And you own your house, I believe?

Ms. Oliveira: I do.

Mr. Coelho: I'm looking here that you're asking for a waiver of the site plan, requirement for the full site plan and accept a sketch with photos. So, we have the waiver request in writing if anybody wants, first we have to act...

Mr. Stefancik: Finding.

Ms. Houle: Finding. Mr. Chairman?

Mr. Coelho: Yup.

Ms. Houle: I **MOVE** to find that the special permit home occupation for the selling of cakes and baked goods as described by Ashley Oliveira is a suitable home occupation under the Bylaw.

*Hearing began at 7:06 p.m. in the Selectmen's Conference Room.*

*Mr. Coelho acted as Chairman in Mr. Phoenix's absence.*

---

*In attendance: Brett Merrill*

Mr. Coelho read the legal notice, advised the attendees that cameras are recording, gave Mr. Merrill a copy of the invoice from Turley Publications, and reviewed the application. The legal notice included the description of: update site plan.

Mr. Coelho: Why don't you give us a little rundown of what you're doing or what you'd like to do.

Mr. Merrill: Right, I did the full site plan and survey, I had the survey done of the three residential units and the salon, so I could do an updated site plan of how the house actually is compared to what it was when I bought it. So, I just wanted to kind of update everything so it's by the book.

Mr. Coelho: So, this is more or less housekeeping?

Mr. Stefancik: Correct, yes. There's no, this is the first site plan on file, there's no professional site plan.

Mr. Coelho: No substantial changes?

Mr. Merrill: Nothing.

Mr. Coelho: Grant waivers and or findings. Are there any waivers or findings necessary? I don't see a, oh there's a waiver request, the big page that says waiver request. I am requesting waiver of the following Sections 7.1.5 Required Site Plan Contents: o. Additional Requirements: All site plan must have the following: Lighting plan with luminaire schedule; elevations showing the front, rear, sides of the building; Signage design with dimensions. You are showing where area's gonna be stored, correct? So, you're not looking for relief on that with snow storage?

Mr. Merrill: Yup, right in the back.

Mr. Coelho: And traffic study. So, there's our waiver request. And again, there are no substantial changes to the site.

Mr. Merrill: Nothing.

Mr. Coelho: And use is gonna be the same?

Mr. Merrill: Yes.

Mr. Coelho: I'd be willing to accept a motion on the waiver.

Mr. Queiroga: The waiver is for, Chris is for which items?

Mr. Coelho: 1, 2, 3, and 5 of...

Ms. Houle: 7.1.5

Mr. Coelho: 7.1.5.o

Mr. Queiroga: Mr. Chairman.

Mr. Coelho: Mr. Queiroga.

Mr. Queiroga: I make a **MOTION** to waive the following sections 7.1.5 Required Site Plan Contents, Additional Requirements. All site plans need to have the following information: Lighting Plan with Luminaire Schedule prepared by an engineer; Elevations showing the front, rear, and sides of the building; Signage design with dimensions and locations, and Traffic study. **SECOND** Ms. Houle.

**4-0 in Favor.**

**Roll call vote: Mr. Quiterio – yes; Mr. Queiroga – yes; Ms. Houle – yes; Mr. Coelho – yes.**

Mr. Coelho: Again, there are no changes. What's on site now? Is it a hair salon?

Mr. Merrill: Yeah, three of the residential units and then the hair salon.

Mr. Coelho: And the hair salon. Anybody from the general public have any questions related to this project?

Mr. Pollard: I didn't see the site plans ---

Mr. Coelho: If you could stand up and say your name and address for the record, please.

Mr. Pollard: John Pollard, 263 Cady Street.

Mr. Coelho: Thank you. The site plan is on...

Mr. Pollard: What changes are to be made?

Mr. Coelho: There are no changes.

Ms. Houle: There are no changes.

Mr. Pollard: So, there's are no changes?

Mr. Coelho: No, this was just a housekeeping. There wasn't, must not have been a site plan on site because it was an old property and now that he's formalizing things he wanted to make sure there was a plan on file.

RECEIVED  
TOWN CLERK'S OFFICE  
2020 MAR 13 AM 10:44  
TOWN OF LUDLOW

Mr. Pollard: Mitzi's was there and she didn't do a site plan.

Mr. Coelho: Right, it was before we had...

Ms. Houle: Before it was required, so.

Mr. Coelho: ...these requirements, so according to him and what we have in front of us, nothing's gonna change there. Anybody else? Great. Checklists, do we have another sign-off sheet? No, there really isn't, it's just our review.

Mr. Stefancik: Just the comments, and that's it.

Mr. Coelho: And I don't see, I mean, we have a Safety Committee comment. Oh, did I bury them? I tried hooking you up but these guys caught me.

Ms. Houle: Here's the Safety Committee.

Mr. Coelho: Safety Committee had no comment because there wasn't any significant changes. A memo from the Planning Board looks clear of any discrepancies from our perspective. Board of Health: Per State of Mass. State Sanitary Code 310.CMR.15.004 Paragraph 6, beauty salons and hair salons generate industrial waste that cannot be discharged to an onsite septic system. The septic system for the property is in violation in code and connection to town sewer must be done within two years. See attached.

Mr. Merrill: Yeah, I'm on their agenda as well, so.

Mr. Coelho: So, you're gonna have to either connect or develop some sort of waste management plan that's acceptable --- but it's easier to probably connect.

Mr. Merrill: Yeah, I'm speaking with them. I'm on their agenda to talk about the future plans with that.

Mr. Coelho: Make sure that you're aware of that.

Mr. Merrill: Absolutely.

Mr. Coelho: And we have a, we have a very thorough letter here that I'm not gonna take the time to read into the record, however, it is on record which this looks like it's stating everything they're quoting, which is pretty good. So, if you'd like a copy of this as well.

Mr. Merrill: Oh, of the clauses for the Board of Health?

Mr. Coelho: Yeah.

Mr. Merrill: Yeah, yeah, yup. I talked to the DEP and we have, again, I have, I'm gonna be meeting with them talking about the findings from the septic and everything else like that, so.

Mr. Coelho: This looks pretty good, ok good. And again, Safety Committee had nothing. And that's all I'm seeing. Nothing from DPW or?

Mr. Stefancik: No, I did check with Jim and he didn't have any issues.

Mr. Coelho: Ok.

Mr. Queiroga: Are you looking for a motion?

Mr. Coelho: Yeah, I suppose it's appropriate to take a vote on this now.

Mr. Queiroga: Mr. Chairman, I **MOVE** to approve and sign the site plan for Mr. Merrill at 450...

Ms. Houle: 251-253.

Mr. Queiroga: ...251-253, that's better, for Mr. Merrill, and I'm looking for a second.

**SECOND Ms. Houle.**

**4-0 in Favor.**
