Mr. Stefancik: Can you hear the Chairman?

Mr. Levesque: Yes.

Mr. Stefancik: Ok.

Mr. Phoenix: Beyond what I read off from the application, is there anything else that you wanted to explain as far as what you're looking to do at the property?

Mr. Phoenix: Sure, if Doug already knows who you are, Mr. Anselmo, if you'd like to let us know what your questions or your thoughts are, we'll do our best to get you taken care of.

Mr. Anselmo: Ok, I couldn't hear Steve very well when he was talking, I think, to you. I just want to confirm that all he's doing there is a home office, right, is that what there doing --- over there?

Mr. Stefancik: Steve it's Doug, are you just doing a home office?

Mr. Levesque: Yes.

Mr. Stefancik: He said yes.

Mr. Phoenix: I think I head a yes there. That is what it describes on the application is just using the space for an office with no changes to the site that would make it less like a regular residence in the neighborhood.

Mr. Anselmo: Ok, I'm satisfied. That's all I wanted to make sure. I know Steve's been there for a while, lives next to my mother. She's the one that lives in the house next to him, so ---. I have no problems with Steve, I just wanted to make sure that there was no, that I missed something or something else going on. That's all.

Mr. Phoenix: Ok, is there anyone else who's showing that called that has any questions or comments?

Mr. Flebotte: This is Mr. Flebotte. I live at 22 Wilno Avenue, and I was wondering ---.

Mr. Stefancik: Mr. Flebotte's for the next public hearing.

Mr. Stefancik: That's Mr. Ziembra, but this is Levesque.

Mr. Flebotte: Ok.

Mr. Phoenix: Is there anything else for this matter? Hearing nothing, the first thing I would ask is for a motion in the standard form to find that this is a suitable home occupation under the Bylaw.

Mr. Coelho: **SO MOVED.**

Mr. Queiroga: Mr. Chairman?

The hearing began at 4:38 p.m. in the Selectmen's Conference Room via Telephonically.
(by order of the Governor's March 10, 2020 order titled "Order Suspending Certain Provisions of the Open Meeting Law, G.L. c.30A, § 20" due to the COVID-19 Virus Outbreak)

In attendance: Robert Ziemba, abutter (Richard Flebotte)

Mr. Phoenix read the legal notice and reviewed the application. The legal notice included the description of: Home Office – small machine shop.

Mr. Phoenix: Mr. Ziemba, are you on the call?

Mr. Ziemba: Yes, I am, yes, yes sir.

Mr. Phoenix: Ok, beyond what I read off from the application, is there anything that you feel that you'd like to explain about what you're looking to do at the property?

Mr. Ziemba: It's really just a home business, I'm not, something on the side for, you know, a short term. I'm not looking to be, have the machine in the garage forever, you know, just to get started, earn some income until I move to a bigger facility, expand my business, and, you know, practice growth and everything.

Mr. Phoenix: Ok. It was a little bit hard to hear you. I think I made out the highlights there. But essentially, all you're looking to do there is run the office out of the garage, you're not looking to be, really having any customers or deliveries or anything really coming to the house, or anything else that would make it less residential, something that the neighbors would see and think there's definitely a business going on there?

Mr. Ziemba: I'm not looking to have anything major coming in, just, I mean, it would be normal like FedEx, UPS, just small stuff like cutters and small pieces of steel, would be nothing unusual. The only thing that would probably be big, obviously, for delivery was when when the machine would come in, but that's about it for big stuff.

Mr. Phoenix: Ok, and as far as the work that you're looking to do, are you planning on doing that any particular hours or anything like that?

Mr. Ziembra: I mean, the particular hours would be, it'll be after my day job. I do work a day job at a different shop. So, it would be probably be after dinner, let's say, 7:00 – 9:00 p.m. during the week and, or earlier, 8:30, 9:00. And then on weekends probably like between 11:00 – 8:00 during the day. I don't want to disturb anybody, disturb any neighborhoods, neighbors or anything.

Mr. Phoenix: Does anyone from the Board have any questions for Mr. Ziembra?

Mr. Queiroga: No.

Mr. Phoenix: Hearing nothing from the Board, I'm gonna open it up to the public. Does anyone have anything on this public hearing for 26 Wilno Ave. for Mr. Ziembra?

Mr. Flebotte: Yes, this is Richard Flebotte. I own the property right next door at 22 Wilno Avenue. And I'm only concerned about noise. How loud do you expect it to be, sir?

Mr. Ziembra: I mean, it's got to be about the same noise of a vacuum cleaner, so you'll barely hear it. My machine, it has 8 ½ horsepower motor. And I just talked to the --- dealer where I'd be purchasing the machine and they pretty much said I'm not gonna be --- enough to make noise. And I'll say if there is any issues, --- coming back to me and I'll take care of it the best I can.

(multiple people talking)

Mr. Phoenix: Yes, just so you know as well, as part of the application process, we do have a couple checklists that are part of what we grant with this permit, and Mr. Ziembra signed off that he's read and understands those. And there are provisions in there, for instance, on the home occupation checklist: *The use will not constitute a nuisance by reason of an unacceptable level of air or water pollution, excessive noise or visually flagrant structures and accessories, and the use is not a serious hazard to abutters, vehicles or pedestrians.* There's some other criteria, as well, that similarly would protect you from any kind of loud noises or anything else that would be detrimental to your quality of life.

Mr. Flebotte: Sounds good to me.

Mr. Phoenix: Ok, is there anything else that we can help to get you answers on?

Mr. Flebotte: I'm all set.

Mr. Phoenix: Ok, is there anyone else on this matter? Hearing nothing, let's try and to combine things a little bit. Can I get a MOTION to find that this is a suitable home occupation and to waive the full plan in favor of the sketch and photos as provided?

Mr. Coelho: **SO MOVED.**

Mr. Phoenix: Ok, I heard a so moved. Is that a second Joe?
SECOND Mr. Queiroga.

**Roll call vote: Ms. Houle – yes; Mr. Coelho – yes; Mr. Queiroga – yes; Mr. Phoenix – yes.
4-0 in Favor.**

Mr. Phoenix: On the approval itself, is there a motion in the standard form?

Mr. Queiroga: Mr. Chairman.

Mr. Phoenix: Joe.

Mr. Queiroga: I **MOVE** to approve the special permit under, for Mr. Ziemba at 106 Wilno Avenue in Ludlow, under 7.0.4 a-m and the home occupation under Section 6.2.1-6.2.13, with the restriction that the permit will run with the applicant and not with the property.
