**I. Call to Order**

Meeting began at 5:30 pm

**II. Approval of 1/24/2024 meeting minutes** - tabled until next meeting

**III. Discuss treatment of Haviland, Harris and Alden Pond**

Glenn has requested that the committee hold off on treating Alden Pond due to concerns of shallow wells and how the chemicals will impact those wells. Alden has it's own Pond Association and will meet in June to discuss. Judy will reach out to Water and Wetland to get more information about the treatment and to instruct to hold off for now.

Harris and Haviland are ready for treatment – waiting for final Water and Wetland contracts to be signed by town. Judy to follow up.

**IV. Minechoag Plant Survey**

Goddard Consulting is prepared to begin the survey in May. Bill asked for further clarification of what plants and when these plants were identified to determine why survey needs to be done. Judy will follow up.

**V. June 15<sup>th</sup> 250<sup>th</sup> Celebration – table for Pond Committee**

Julie ordered a sign to be hung on the table (awesome sign!) and will have the table set up for the celebration.

Judy will create sign-up sheet for who can sit at the table – suggested hours noon- 4:00 or 5:00 pm

Tricia reported that Jessica would be happy to help with a document/brochure. Send ideas for content to Tricia for Jessica.

**VI. Adjournment**

Tricia made a motion to adjourn at 6:25; Judy seconded it, all approved
