Sandra Sousa present to request a refund for her pool pass. She stated that because her daughter got hurt the 6th week of camp and is not able to go in the water she is requesting a refund for her pool pass as she had taken two weeks off after camp was over to go to the pool and beach and is now not able to go. Sean stated that she has had her pass since June 26th and that her daughter, her son and herself were on the pass so the pass could've been used by herself and son. Sandra stated that her son doesn't go in the water but she put him on it because the price would've been higher as she would've had to get two single passes if she didn't. The Clerk explained that the family pass fee would've been the same if her son was not on the pass as it is for up to 5 family members for the \$60.00 fee and that she couldn't have got two single passes as her daughter would have to be 17 to get her own pass. Sean stated that he is not in favor of giving her a refund as she had plenty of time to use the pass. He stated that he will make a motion to refund her money and if Don Cameron agrees than it will be done but if not they will wait until the next meeting when there is a full Commission and take a second vote.

Sean **motion** to refund Sandra Sousa her pool pass fee. Don Cameron did not second. **Motion is denied. 1-1**

Sean stated that he will bring it up at the next meeting when there is a full Commission and put it to a vote and she will be notified of the results.

Don Cameron **motion** to adjourn at 7:45pm. Sean McBride second. **PASS 2-0**
