Organizational Meeting began @ 7:30pm. With most organizations in attendance, Sean McBride explained the upcoming season field availability. The purpose of the meeting was to discuss the elimination of Chapin Street School fields and alternative suggestions to replace them. He stated that we have been in touch with Tim Brillo, Athletic Director of LHS to see if use of the soccer/football field could be utilized for soccer in the spring. The baseball diamond is under the Recreation so use of that field will be permitted. The Clerk stated that there is a wooden bat league that has been playing on the LHS baseball diamond and will supply LBA with the existing teams game schedule so there will be minimal conflicts. Sean also expressed that if there are any game changes that they must be "called" in to the Recreation Office, not to e-mail as the Clerk is very rarely on the computer and may not get the message.

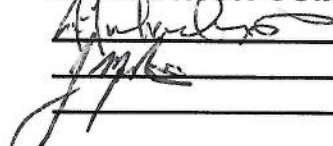

7:45pm Alfred Bacabac, Futsal & Street Soccer coach present to discuss the possibility of holding a soccer skills clinic for k-12 children in Ludlow. Sean explained that the town has just eliminated a soccer field, that we are in the beginning of the soccer season and really don't have a field to offer him. He thanked him for considering us but at this time we couldn't help him with a field.

Jason Martins **motion** to adjourn at 8:15pm. Don Cameron second. **PASS 3-0**
