EZ Links program is down, April will be messy to report to Town Hall. Half the month will be EZ Links, and half will be Golf Now. Decision is made to send letter terminating contract.

Superintendent – Ryan Linton

DEP, anyone with underground storage tanks, have to do an audit. WGC passed, had to create an online profile. Also need special insurance, but we will be “piggybacked” with the DPW coverage. About 6:30 this a.m. a cable was ripped out on the right side of 14, it was buried only about 3 inches underground. There will be no charge for the repair.

The rest of the course is O.K.; we are mowing. #7 and #14 bunkers are gone.

Inquiry about the ARB and Solar panels – Paul will get name of person or will go to the base with letter in hand.

OLD UNFINISHED BUSINESS:

NEW BUSINESS:

Discussion revolves around the Senior League and “growing” the league. There are 82 active names with at least 12 on a waiting list. Suggestions were made as to “starting” the groups at different holes, earlier hours, etc. Resolution is (when the numbers are large) to stagger the starts on the holes. Any modifications that need to be done are to be resolved, meeting with Ryan and Bill.

Motion to adjourn: O'Brien

Second: Boland

All in Favor

Respectfully submitted: BFW
