Superintendent – Ryan Linton

Ryan reports that the culvert (headed to 11) collapsed. Steve Santos came out and did the repair. Jim Goodreau came out took pictures, went to the Conservation Comm. and got permission for us to continue. As of today, we are almost buttoned up. Jared and Ryan worked with Santos, had to wait on the 60” ADS pipe. This repair was critical due to the main line for the irrigation system runs underneath it.
