Nothing to report / Status Quo

**Superintendent – Ryan Linton**

Caught up on paperwork for Pesticide, Irrigation, DEP and Mass AG.

As of today (5<sup>th</sup>) there is ice on 6 of the greens. Went out today and top dressed these greens to help facilitate melting; when I left at 2:30 there was water running off. Jared will be gone for the next two (2) weeks on vacation. When he gets back, we will start spring clean-up; may bring on one seasonal person – Ludlow individual, worked for us last year and is interested in coming back. (Alex Lafayette) Keeping fingers crossed for an early spring.
