REPORTS:

Golf Professional – Bill Kubinski

Golfnow upgrades have been troublesome at times with lack of support from Golfnow. Town IT has been out to upgrade our end as needed waiting on more information from Golfnow so we can save all our old records. Hopefully have everything buttoned up over the next couple weeks and be ready to open when the course is ready. Besides that, we've been getting calls on memberships/passes and potential tournaments and events for the 2024 season.

Superintendent – Ryan Linton

Golf course remains in good shape throughout the winter. One seasonal staff has been in helping clean debris and branches from winter storms. Propane tank is scheduled to be installed next week. New fleet of carts is also scheduled to be delivered next week. We will be bringing back another seasonal employee to help with the course clean up and getting ready to open by mid March.

Correspondence:

Paul Chrzan speaks about the 250th golf tournament to be held on May 18th 2024 and also requests the same Saturday date for May 2025 for a Veterans/VFW fundraiser tournament to be held at Westover.
