REPORTS:

Golf Professional – Bill Kubinski

- Absent

Superintendent – Ryan Linton

- The golf course remains in overall decent shape, the crew did a great job while (Ryan) was on vacation and everything continues to get accomplished in timely fashion. Following up from previous meetings I did reach out to both the Pond Committee and an engineer from Tigh and Bond regarding our irrigation system. The first few tournaments went off without a hitch and were ready for the busy month ahead.

Liaison Reports.

Budget & Finance – Noting to report

Clubhouse Operations – Nothing to report

Grounds & Course Maintenance- Nothing to report.

Information & Technology – Nothing to report.

Tournaments / Leagues / Special Events- Nothing to report.

OLD UNFINISHED BUSINESS:

Discussion on irrigation system & culverts. Current routing of the irrigation system and what needs to be done long term. Irrigation needs to be a priority for any long-term planning, and we would like to hire Tigh and Bond to oversee irrigation, culverts, and other projects that may be on the horizon. Mr. McBride would like to have Tony Dacruz from Tigh and Bond out to have a formal discussion about a master plan. Are there any grants available for a new irrigation system / culvert replacement?

NEW BUSINESS:

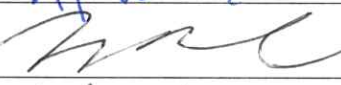

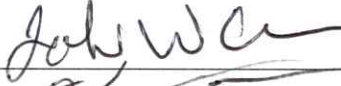

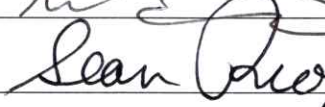

- Town meeting did approve our capital requests for both the kitchen upgrades and the greens mower.

There being no further business, motion to adjourn is entertained:

Motion to adjourn- All in favor.

Respectfully submitted: *Ryan Linton*
