REPORTS:

Golf Professional – Bill Kubinski

- Junior camp is sold out for June 24 – 26, we like to keep the numbers around 8 kids per instructor if we can find another instructor we will call back the individuals on the waiting list. Revenue has been steady so far this calendar year and FY24 remains about

6% above FY23. We had a medical emergency on 6/5/2024, the customer thankfully was okay however we need to review our parking lot situation. Send out a reminder to our leagues that we do have an AED and Narcan box on sight if needed.

Superintendent – Ryan Linton

- Everything on the golf course is up to date. Ryan did attend a pond committee meeting and we discussed the process of getting Wade Pond on the Towns list of ponds to treat. Pond committee members will be coming out for a sight visit. Tigh and Bond will be coming out to review our current irrigation infrastructure for a potential master plan. We will continue to chip away on our project list while we are full staffed.
