

Town of Ludlow – Press Release

June 5, 2020

As of today, we have approximately 118 positive cases of the COVID-19 virus with 6 deaths. According to our Board of Health, we have no new positive cases to report since our last update from this past Tuesday's Board of Selectmen's meeting.

Also, a thank you to Annette Polansky, Beverly Fiecha, Beth Catarino, Carol Pickens, Karen Casavant, Linda Drewniak, Alfred and Isabel Ribeiro for your generous donations of masks and/or materials to make masks going towards our "Free Mask Drive" set for the near future.

From the Board of Public Works, A Reminder the Mandatory Dual Stream Recycling starts July 1<sup>st</sup>. The DPW will be mailing information about a Dual Stream Recycling bin, you can pick one up at the Transfer Station, or call 583-5625 to make arrangements to pick one up at the DPW office. If you want to get in the habit of Dual Stream Recycling before it becomes mandatory, you should put out paper and cardboard next week and plastic, metal and glass containers the following week.

Please remember all Town facilities are still closed to the public until further notice.

Please be respectful and kind to each other – WEAR YOUR MASK – and if someone happens to "remind you", weather it be another a resident or staff worker, please be do not be abusive or take it out on them... this is the 'new normal' for a while, we all need to comply if we want to keep this disease as isolated as possible. Everyone matters!!

Finally, I would like to congratulate our newly elected officials as a result of the June 1, 2020 election.

Stay Safe, Be Vigilant

God Bless and Take Care of Each Other,

Manuel D. Silva

Chairman, Board of Selectmen
